

BFA-1.0 Basic First Aid

Series/Catalog: General Industry Series

Linear Duration/min: 00:32:00 Origin Date: 01/08
Interactivity: Level II Last Update: 09/08
Supervising SME: Laura Belden

Course Description: Upon completion of this learning event, the learner will demonstrate knowledge of first aid procedures and how to apply them to real-world scenarios. Employees will learn their legal responsibilities as a first aid provider, how to identify different types of medical emergencies and the proper steps to take, and how to react in specific environmental conditions like extreme heat and cold.

Relevant Standards:

Complexity/Difficulty: Level I (very easy)

Target Audience: This awareness-level course is intended for general-industry and office employees who, during the course of their usual work routine, may be required to provide basic medical aid to co-workers or others.

Prerequisites: None
